

Total time – 45 minutes

Task 1. Reading. Read the text and choose the correct option to complete the sentence:

Mysterious Monster

Lots of people say that they have seen a large animal in the famous lake called Loch Ness in Scotland. For many centuries, people have tried to catch it. People who live there always talk about the mysterious animal in the lake, and many of them believe that it is still there today.

In 1933, John McGregor, a local businessman, examined the lake with underwater equipment and tried to find out what kind of animal lived there. Of course, they haven't found it yet.

Tourists from all over the world have visited Loch Ness, they hope to see the monster. They have even given it a nickname "Nessie". Scientists suppose that the Loch Ness monster is a dinosaur, which has survived since the Ice Age.
