III. Посмотрите на стихотворение. Быстро посчитайте, сколько раз в нём использованы следующие слова:

**the is likes a Betty**

### **Kitty and Betty**

Kitty's house is in the country,  
Betty's house is in the city.  
Kitty likes to stay with Betty,  
Betty likes to stay with Kitty.  
Betty likes the country best,  
Kitty likes the busy city.  
That is quite a lucky thing  
For Betty and for Kitty.
